# MIKA

## JULY 7<sup>TH</sup> 2010 VILLA MANIN - Passariano di Codroipo (UD)

Two new Summer tour dates have been announced for **MIKA**, the brightest star of the international pop music world. The young Lebanese artist, who received formal training as a classical performer, well-known for his mixed background and for his highly theatrical moves, has become a symbol for self-expression in its most peculiar and ambitious significance. He will be live on stage on July 6<sup>th</sup> at the Capanelle Hippodrome and on **Wednesday July 7<sup>th</sup>** at the fascinating **Villa Manin** in **Passariano di Codroipo (UD)**.

The long-awaited concert that will take place in the breathtaking venue will be **the only tour date in Northern Italy** and in the nearby countries of **Austria, Slovenia** and **Croatia**. It is organized by **Barley Arts** and **Azalea Promotion**, in collaboration with the **Regione Friuli Venezia Giulia – Guests of Unique People, Azienda Speciale Villa Manin** and **TurismoFVG “Music & Live”**.

2009 has been a fabulous year for this world pop music revelation, thanks to the success of his second album **“The boy who knew too much”**, which was anticipated on the radio by the single **“We are golden”** and gained very positive reviews from both the critics and the public after his brilliant debut with **“Life in Cartoon Motion”** in 2007.

The track which had the difficult task of repeating the success of **“Grace Kelly”** (the most-aired song on Italian radios in 2007) and that was able to toss **Mika** straight at the top of the European charts, did the trick once again: **“We are golden”** has proved to be a lively and vivacious hit enchanting the listener on the one hand, and displaying the singer’s vocal eccentricity on the other.

The second single targeted for the European market, **“Rain”**, was equally a success. It came with an original and appealing video which was similar to the one for **“Relax, take it easy”** as far as the sound and the brilliance are concerned.

**Mika** is currently waiting to start his European tour and has a new track up his sleeve called **“Kick-Ass”** (coming up on March 29<sup>th</sup> for Polydor Records), which will be the lead single on the **soundtrack** of the namesake movie featuring Marvel Comics’ superheroes.

The tickets for this new Summer event will be available **Saturday March 6<sup>th</sup>** at **09.00 am** through the online circuit **TicketOne** ([www.ticketone.it](http://www.ticketone.it)) and in all authorized box offices.

**Ticket price:****GENERAL ADMISSION € 30.00 + pre-sale**

The concert is part of “**Music & Live**”, the promotional campaign of the **Regione Friuli Venezia Giulia** and the regional agency **Turismo FVG** (info [www.turismo.fvg.it](http://www.turismo.fvg.it) – tel. 800 016044).
